EAT AT HOME The finest Thai menu

Restaurant-quality food to eat at home.

All of our dishes are prepared to order, no ready-made cooking sauces or boxes of cold food lying next to microwaves. We make all the Thai dishes on our menu and nothing is bought-in or prepared by others. Our food, made properly from good ingredients, doesn't need flavour enhancers.

This menu replaces previous ones. We are aware that many takeaway customers order from older menus or remember the numbers of their favourite dishes. For this reason, **dish numbers are unchanged from the previous menu.**

Allergy advice The Food Information Regulations require that we state if our dishes contain ingredients that are considered to be allergenic. We have put this information on a separate fact sheet, which is available in the restaurant and can be viewed on our website at: <http://sangthai.co.uk/allergen-advice.htm>

Most of our food is prepared without wheat products however some dishes contain gluten from oyster and soya sauces, where fermented wheat is a desirable and authentic constituent. We can prepare all soups, salads, stir-fries, curries, noodles and rice dishes with no gluten-containing ingredients if requested.
